RE	Branch 2: Prophecy and Promise						
Overview of the branch	In this branch pupils will build on their knowledge of the infancy of Jesus by exploring key events from St Luke's Gospel, including the Annunciation, the Visitation, the birth of John the Baptist and the Nativity. They will recognise how people respond to God's message and how the Holy Spirit is present in these events. Pupils will encounter important prayers from Luke's Gospel, such as the Magnificat and the Benedictus, and begin to understand how these express joy and praise for God's saving action. They will also learn about Advent as a season of preparation for the coming of Christ, exploring its symbols and discovering how Christians in different cultures prepare for Christmas, while reflecting on how the message of Jesus brings hope and joy to the world.
